# ORGANIC CHEMISTRY

## FRONTIERS

An international journal developed by  
the Chinese Chemical Society and the  
Shanghai Institute of Organic Chemistry

### Editor-in-Chief:

Sheng-Ming Ma, Shanghai Institute of  
Organic Chemistry, China

Organic Chemistry Frontiers is a high impact journal  
publishing work on all disciplines of organic chemistry.  
The journal welcomes articles which make a significant  
contribution to the field of organic chemistry by  
reporting either new or significantly improved protocols  
or methodologies.

- All content free to access until end 2015 ensuring  
the highest visibility for your work
- Rapid publication times
- No submission charges or page limits, and free colour
- Open access publishing options
- Free electronic reprints of own paper
- Simple and user-friendly online submission process
