

Society for Analytical Chemistry and Chemical Society Analytical Division Tie

A TIE bearing the Coat of Arms of the Society for Analytical Chemistry will be on sale to members of the SAC/Analytical Division from the beginning of December.

The tie, which will carry a simplified version of the Coat of Arms woven in red, silver and gold as a single motif, will be available in three different background colours—dark blue, dark green and maroon. The tie is manufactured in a Crimplene - Terylene mixture.

The price of the tie will be £1.00 including postage, and it will be distributed from the Society's Offices. Orders, accompanied by the appropriate remittance, should be sent to The Secretary, Society for Analytical Chemistry, 9/10 Savile Row, London, W1X 1AF.

Please make cheques payable to The Society for Analytical Chemistry, and ensure that the background colour required on the tie is stated.
